

# Stranger Things Have Happened

(Henry Hipkens - 1995)

I'm gonna' make you love me  
And see that you've been blind  
I know you think that's crazy  
But I'd keep this in mind  
The unsinkable Titanic  
Lies at the bottom of the sea  
Stranger things have happened  
You could fall in love with me

Were I to succeed  
You won't ever read  
About it in "Believe It or Not"  
'Cause love is nothin' new ya know  
I hate to break it to ya but its  
Everyday, typical, common and normal as God knows what  
The unsinkable Titanic  
Lies at the bottom of the sea  
Stranger things have happened  
You could fall in love with me

Expect the unexpected  
It happens every day  
Who at first thought Patty Hearst  
Would join the SLA  
The world loved Coca-Cola  
And yet they changed its recipe  
Stranger things have happened  
You could fall in love with me

Were I to succeed  
You won't ever read  
About it in "Believe It or Not"  
'Cause love is nothin' new ya know  
I hate to break it to ya but its  
Everyday, typical, common and normal as God knows what  
The unsinkable Titanic  
Out-grossed Star Wars and E.T.  
Stranger things have happened

You could fall in love with me  
You could fall in love with me
